

JOHN ANGELO M. RUPIDO

09936086873 | jolo15rupido@gmail.com | 076 Malinis St., Js Ville Subdivision, Dulong Bayan, Bacoor City, Cavite

PROFESSIONAL SUMMARY

Detail-oriented IT graduate with a BS in Information Technology from Cavite State University. Experienced in modern web development using Next.js, TypeScript, and Tailwind CSS, with a strong foundation in hardware troubleshooting, UI/UX design, and end-user IT support. Adept at leveraging AI tools such as Claude Code to accelerate development workflows and deliver results efficiently. Certified in Data Com NC II with hands-on experience in robotics, embedded systems, and customer service.

WORK EXPERIENCE

Customer Service Representative | *Conduent Company* | *September 2024 – January 2026*

- Handled high-volume inbound inquiries for a Telco/ISP account covering billing, account changes, and service concerns
- Provided Tier 1 technical troubleshooting for internet connectivity issues, guiding customers through step-by-step resolution
- Accurately documented customer interactions and escalated unresolved issues to appropriate departments
- Maintained consistent performance metrics including average handle time, customer satisfaction scores, and first-call resolution
- Collaborated with team leads to identify recurring issues and contribute to process improvement initiatives

EDUCATION

Bachelor of Science in Information Technology

Cavite State University – CCAT Campus | *2020 – 2024*

Montesorri Professional College of Asia | *2018 – 2020* *Bacoor National High School – Tabing Dagat Annex* | *2014 – 2018*

TECHNICAL SKILLS

Languages & Web: HTML, CSS, JavaScript, TypeScript

Frameworks & Libraries: Next.js, Tailwind CSS, shadcn/ui, DaisyUI

Tools & Platforms: GitHub, Vercel, Figma, Claude Code, Microsoft Word, Microsoft Excel

AI & Productivity: AI-assisted development, prompt engineering, workflow automation using Claude Code

Hardware & Embedded Systems: PC assembly & troubleshooting, system optimization, Arduino, Micro:bit, circuit design, sensor integration

CERTIFICATIONS & TRAINING

- Data Com NC II – Validated proficiency in Microsoft Word, hardware & software troubleshooting, and IT support fundamentals
- Figma UI/UX Design – Designed wireframes, mockups, and interactive prototypes bridging functionality and user experience
- Micro:bit Robotics Workshop – Programmed Arduino microcontrollers, assembled hardware, and integrated sensors for automation
- EL Studio CVSU CCAT Internship (IT Support & Helpdesk) – Delivered end-user support, hardware diagnostics, and system optimization

CORE COMPETENCIES & LANGUAGES

Communication | Teamwork | Time Management | Problem Solving | AI-Assisted Productivity | Customer Service | Filipino (Native) | English (Professional)
